## VENDOR APPLICATION PROCESS

Thank you for your interest in becoming a vendor for PlashLights. We are proud to be a leader in the LED Lighting market offering discounted pricing to our dealers. Currently we have about 200 vendors in the US and we are always looking for new partners to help us grow.

Once approved as a vendor, you may place your first order via email or phone for \$1250 or more (excluding custom builds and displays); after that, there is no minimum order required.

We strive to have all products in stock and we ship same day if ordered before 3pm. There is free shipping on all orders over \$400 or stocking orders. All shipping is via UPS ground unless specified otherwise; UPS shipping is next day to most of Texas (2 day to west Texas).

We do have POP displays if you are interested. These are free but we require a \$500 deposit. See attached image and POP Display Request form.

We are always adding new products to our website. We also have numerous products that are undergoing testing at any given time that may be available but not uploaded. If you need a specific light, feel free to call us as we probably have something similar in stock.

We prefer if you email in orders ([plashlights@gmail.com](mailto:plashlights@gmail.com)), but always feel free to call.

Attached are the following forms:

- Vendor Application (complete and return)
- Vendor Terms and Conditions
- Texas Sales Tax Exemption Form (complete and return)
- Credit Card Authorization (complete and return)
- POP image
- POP Display Request (complete and return if applicable)

If you have questions, please call us at 281-414-7177 or 281-414-3445. We look forward to working with you and your team members!
